

The event and conference rooms are located on the ground floor of a superb-quality office property. The building owes its name "tHeo" to the location in the Theodor-Heuss-Straße.

With the expansion of the meeting spaces in 2017, the project name **tHeo.2.meet** [theo tu: mi:t] has become well established. This name emphasizes the ease and convenience of renting and use of the spaces.

meet@Atrium

@Atrium provides the ideal setting for large-scale lectures, trainings, presentations or roadshows. The spacious event room with 285 sqm can be divided into two separately usable rooms, also in the course of a one day event. The room has a pleasant daylight through the ceiling. In addition, you can choose different lighting scenarios.

The modern furniture is made exclusively in Germany. The materials and shapes have been chosen to create an immediate sense of well-being. The room climate is controlled by a modern ventilation system. High-quality carpeting and walls lined with naturally waxed wood panels create the perfect room acoustic.
